

PENHALT FARM ACCESS STATEMENT

Penhalt Farm Holiday Park is adjacent to the working farm. The site is located three quarters of a mile from the coast road and the tarmac farm lane leading to the site is on a gentle slope and is restricted to a 10 mph speed limit which also applies all around the site. The top half of the site is flat and the lower half gently slopes towards the coast. The whole site overlooks Widemouth Bay and surrounding countryside. The Park in general is suitable for wheelchair users but there are some restrictions.

Restrictions

- 1) Reception/shop is only accessible by two steps. The first 60 ml and the second 140 ml high risers
- 2) Laundry room 150 ml step

Caravans

The two static caravans are accessed via 2 or 3 steps and the doors are not wide enough to take wheelchairs.

Touring and Camping

Penhalt has 100 touring pitches, 25 of those with electric hook ups. The top half of the site is flat and the area immediately surrounding Reception and amenities block is tarmac and good for wheelchair users. Guide dogs are welcome on site and there is a designated dog walking area provided.

Facilities

There are ladies and gents showers, games room with two pool tables, laundry room and shop but they have the restrictions as above. There is also a disabled toilet and baby changing room, next to the laundry, accessed by a slight slope.

There are also some sinks available outside the laundry room, on the end of the amenity block, which are readily accessible for wheelchair users.

The swings and play area are beside the amenity block and have level access.

All rubbish areas and water points are easily accessible via level access.

Access to the farm is over a stony uneven yard.

Whenever it is possible we try to provide our customers, when asked, with pitches that are the most convenient for them.

The Local Area

No bus service runs from the site but there is a bus stop 1-mile away which serves Bude and the surrounding areas. However it is fair to say that this stop is only accessed by both a steep downhill and uphill coast road.

Taxis are available from Bude, of which some cater for wheelchairs.
